

# RingQ White Label / Rebranding

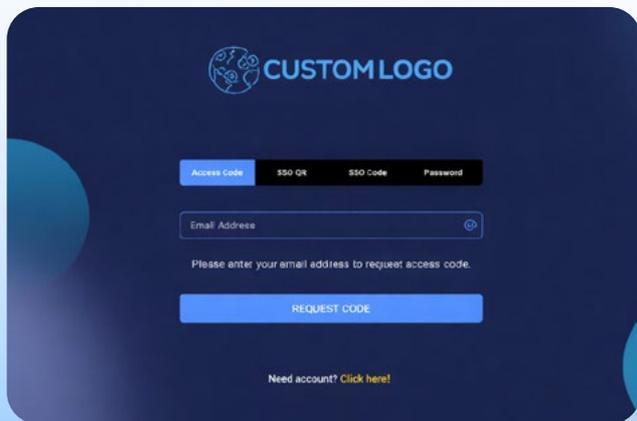

The RingQ White Label / Rebranding service allows you to fully customize your RingQ platform with your own branding. Add your company logo to deliver a consistent, professional experience to your customers. With white labeling, you can:

- Display your company logo across the platform
- Reinforce your brand identity at every customer touchpoint
- Present RingQ as your own communications solution
- Strengthen customer trust and brand recognition

This service enables partners and resellers to offer a seamless, branded experience while leveraging the robust capabilities of RingQ behind the scenes.

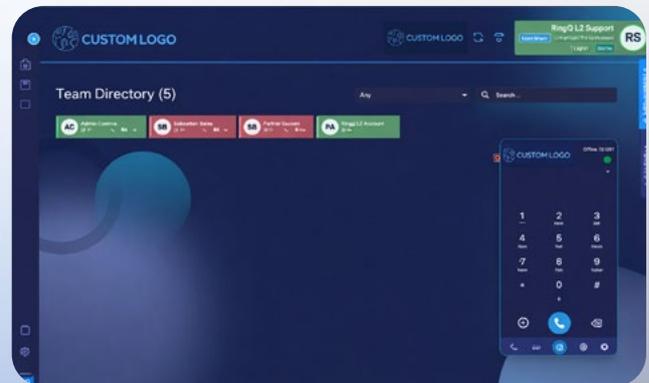

## Login Page

Add your own logo to the RingQ login page.

## Web App & Dialer

Add your logo to the top left corner of the web app and the inbuilt dialer.

## Smartphone Apps

Add your own logo to the iOS & Android apps. The Android and iOS App Store icons remain RingQ branded. Only the internal application interface can be rebranded. This ensures platform integrity and centralized update management.
